

Commodity Credit Corporation, USDA

§ 1421.8

(i) Producers under a deferred-price, forward, or price later contract will lose beneficial interest in the commodity the earlier of receipt of any payment or once the commodity is applied in fulfillment of the delivery requirements of such a contract.

(ii) Beneficial interest in the commodity is retained by the producer if the contract has no restrictive or contradictory clauses within the contract that may cause the producer to lose beneficial interest in the commodity.

(2) A provision between the producer and a warehouse authorized in accordance with §1421.103(c) for the storage of CCC loan collateral that provides the producer a period of time following the date of physical delivery of the commodity to elect whether the commodity is to be stored and receipted on behalf of the producer or is to be considered transferred to the warehouse if CCC determines such a provision is required.

(i) Commodities produced under a contract in which the title to the seed remains with the entity providing the seed to the producer, including contracts for the production of hybrid seed, genetically modified commodities, and other specialty seeds as approved in writing by CCC, are eligible to be pledged as collateral for a marketing assistance loan or a loan deficiency payment may be made with respect to such production if, at the time of the request for such a loan or LDP, the producer has not:

(1) Received a payment under the contract; or

(2) Delivered the commodity to another person.

§ 1421.7 Requesting marketing assistance loans and loan deficiency payments.

(a) A producer must, unless authorized by CCC, request marketing assistance loans and loan deficiency payments at the county office that, under part 718 of this title, is responsible for administering programs for the farm on which the commodity was produced.

(b) A marketing assistance loan or loan deficiency payment may be re-

quested in person, by mail or electronic format designated by CCC. Forms prescribed by CCC may be obtained from the USDA, Farm Service Agency Web site.

(c) To receive marketing assistance loans or loan deficiency payments for an eligible commodity, a producer must execute a note and security agreement or loan deficiency payment application on or before the applicable final loan availability date, as follows:

(1) March 31 of the year following the year in which the following crops are normally harvested: barley, canola, flaxseed, oats, rapeseed, crambe, sesame seed, and wheat.

(2) May 31 of the year following the year in which the following crops are normally harvested: corn, grain sorghum, mustard seed, rice, safflower, soybeans, sunflower seed, dry peas, lentils, and chickpeas.

(3) January 31 of the year following the year in which peanuts are normally harvested or wool and mohair are normally sheared.
